

### Who we are

For over two decades, *Utilities Middle East* has been the region's leading source of information for professionals in the power, water, and waste management sectors.

Our multi-platform offering—spanning a monthly **magazine, website, social media channels**, and newsletters—delivers timely news, in-depth analysis, and expert insights to empower decision-makers. From power generation and renewable energy to water services and waste management, we connect key players with the innovations, projects, and trends shaping the region's utilities landscape.

As a trusted partner for utility executives and engineers, *Utilities Middle East* provides the intelligence needed to navigate the sector's challenges and opportunities.

N

# Print

**Utilities Middle East** is the definitive publication for professionals shaping the region's power, water, and waste management sectors.

Each issue provides a carefully curated mix of insights into transformative projects, cuttingedge technologies, and emerging trends redefining the utilities landscape. Our editorial coverage spans **power generation, renewable energy, water services, and waste management**, delivering a comprehensive view of the sector.

With exclusive features on key players, technical advancements, and market developments, *Utilities Middle East* delivers expert analysis to empower professionals navigating this rapidly evolving industry.

# **Digital and Social**

*Utilities Middle East* continues to expand its digital footprint, delivering industry-leading content to a growing audience of utilities professionals.

With a rapidly **increasing number of subscribers and highly engaged followers**, our platform connects key stakeholders with the insights they need to stay informed and competitive.

We provide **daily updates**, **expert interviews**, **and in-depth features** through our website, social media channels, and newsletters.

Through our dynamic digital presence, *Utilities Middle East* offers unparalleled access to the trends and innovations shaping the region's utilities landscape.

### **Events and Conferences**

*Utilities Middle East* hosts industry-leading events that spotlight innovation, drive collaboration, and celebrate excellence within the power, water, and waste management sectors.

Our flagship event, the **Power and Water Conference**, is a premier gathering of thought leaders, policymakers, and innovators who are shaping the future of utilities in the Middle East. This annual conference delves into critical topics such as energy transition, digital transformation, water security, and sustainable infrastructure, offering actionable insights and solutions for the region's most pressing challenges.

Through this exclusive event, *Utilities Middle East* provides invaluable opportunities for professionals to connect, share expertise, and lead the conversation on the future of the utilities landscape.
